han soju infusions

silky smooth with a touch of sweetness. han vodka is essentially an american soju. it is freeze filtered with a micro quartz freeze filter, ultra clean... ultra pure. we infuse our han with fresh fruits and loose leaf teas. the tea leaves steep in the vodka, keeping it pure and potent.

gl. cf.

mango strawberry	delightful light infusion, beautiful fragrance	\$9	\$20
thai chili	bursting with bright pepper aromas. packs good clean lively heat.		
"pu er-ju"	staff favorite. get high on this earthy purifying tea.		
black tea lychee	slightly sweet, hints of lychee, nice black tea finish.
